STTC Review & Test Result– FAQ

Q. How long can I attempt the STTC Challenge?

A. You will have maximum of **fourteen (14) days** for each STTC Challenge – from the following week of each STTC M.R/T.S test week. Please check the challenge period in the STTC Challenge page and complete the retest within the period.

Q. I can't see any questions. What's the problem?

A. The service automatically retrieves the M.R./T.S. questions you incorrectly answered in the recent STTC session, unless you didn't attend the test, or the test results haven't yet been recorded.

Q. How many questions are available for each challenge?

A. It automatically retrieves the maximum of 15 questions per subject you answered incorrectly in the recent mathematical reasoning and thinking skills tests. The order of the questions varies depending on your test score and test average score.

Q. How many questions will I see in each retest?

A. Each retest contains maximum of 5 questions and you have 2 minutes per question. After the 1st attempt, the next retest will show only the questions you got wrong.

Q. I can't see the 'Review' button.

A. The 'Review' button will appear when you answered all questions correctly or after the second retest.

Q. Can I see the questions from English test?

A. Only top 5 students' writing with teacher's comment is available to view. By comparing the top 5 students' writing with teacher's comment, you can improve your writing. Please read teacher's comment why those 5 students' writing is selected as the top writings.

Q. I can see my test score, but not my rank.

A. Your rank will be shown after gathering all other students' results, which usually takes one week of the test. Please check again on the following Saturday.

Q. When can I get my overall ranking and overall score?

A. To be able to produce the correct overall score and ranking, we need to collect all test scores (Reading, Writing, Mathematical Reasoning and Thinking Skills) from all STTC students. Therefore, it usually takes two weeks. Please check them out two weeks later after your test.

Q. My Mathematical Reasoning score is 24. Does it mean I got 24% correct answers?

A. No, it's your raw (original) test score – number of questions you answered correctly in the test. So, your Mathematical Reasoning score 24 means you got 69% (24 out of 35) correct answers.

Q. How was my overall score calculated?

A. Overall score (Maximum score: 100) = Reading (25%) + Writing(15%) + M.R.(25%) + T.S.(35%)

Q. Can I use the overall score to estimate my actual placement score?

A. The actual placement score is complex and require many calculations including test score scaling and moderation of school assessment scores. Your STTC test scores are not scaled and your overall score doesn't count your moderated school marks. Therefore, you cannot directly compare those two marks.

Q. I discontinued my STTC. Can I still access my previous STTC results online?

A. No, it's only available during your STTC enrolment period. When you resume your STTC, it will become available again.

What is 1+1 Reading?

After completion of reading trial test for the week, students can attempt additional reading test in the following week (M.R./T.S test week). The test will be online format at the Cyberschool and contains 30 questions to be completed in 40 minutes.
